- Play at least **eight (8) matches** in a single division session **between Jan 1 and Dec 31, 2023**
- Remain active in the USA Pool League in 2024 (play at least two matches between Jan 1 and Feb 21, 2024)

### CSI Group Play... *All teams guaranteed at least 5 matches\**

With the CSI Group Play format, every team is guaranteed to play more. It is a two-stage tournament. Stage 1 is a group stage and Stage 2 is a single-elimination final bracket. ### PRO EVENTS

## GENERAL INFO

The purpose of this document is to provide the necessary information about the event. This document is not intended to convey the procedures that must be followed at the event. For those details, please refer to the Tournament Regulations.

### Important Dates

**Dec 18:** Last day for early entry discount

**Jan 16:** Last day for mailed entries & personal checks

**Jan 22:** Last day to register (most divisions)

**Jan 29:** Last day for refund requests

**Feb 2:** Last day for hotel discount

**Feb 5:** Last day for change requests & TBA names

### Refunds & Changes

Refund requests must be received in writing by email or postal mail by Jan 29, 2024 and will be processed after March 11, 2024. Admin fees are non-refundable and an additional \$20 processing fee applies to each entry refunded. Change requests must be received by February 5, 2024, and a \$20/player processing fee applies to each change.

### Safety Rules & Regulations

Although it is impossible to predict what safety restrictions may be in place at the time of the event, players should be prepared to adhere to all safety rules & regulations put into place by CueSports International, the Rio All-Suite Hotel & Casino, Nevada state government or local ordinances. Face coverings, social distancing and temperature checks are just a few examples of safety precautions that could be in effect. Players accept this when they register and refusal to follow safety rules and regulations is not sufficient justification for a refund.

### On-Site Registrations

Some divisions accept on-site registration, but must be cash only in US currency.

### Event Fees

**Admin fees** help cover the cost of processing registrations, verifying eligibility, verifying ratings, etc. Late registrations create a backlog, require extra personnel and increase costs. On-site registrations require extra event staff and even more costs. Because admin fees are consumed during the registration process, they are non-refundable. Admin fees are included in the entry fees and are as follows:

DIVISION TYPE	EARLY ENTRY (by Dec 18)	LATE ENTRY (Dec 19-Jan 22)	ON-SITE ENTRY
SINGLES	\$25	additional \$25	additional \$25
TEAMS	\$20/core player	additional \$20/core player	N/A
JUNIORS	\$20	additional \$10	additional \$10

**Green fees** help cover the cost of the venue, equipment, staff, set-up, tear-down, etc. Green fees are refundable if a written refund request is submitted prior to the refund request deadline. Green fees are included in the entry fees and are as follows:

DIVISION TYPE	EARLY ENTRY (by Dec 18)	LATE ENTRY (Dec 19-Jan 22)	ON-SITE ENTRY
SINGLES	\$25	\$25	\$25
TEAMS	\$20/core player	\$20/core player	N/A

**Change fees** help cover the cost of processing changes such as removing players from teams, adding players to teams, verifying the eligibility of new players, verifying the ratings of new players, etc. The change fee is \$20/change. We encourage you to be confident about your registration before submitting it to avoid change fees.

### Digital Membership Card & Valid Photo ID Required

All participants must have their digital membership card and valid Government-issued photo ID and present it to all opposing players, teams or staff upon request. Your digital membership card can be found in your personal profile on the [FargoRate mobile app](#) which can be downloaded free for Android and Apple devices. Physical cards are no longer produced so please download the FargoRate app and have your digital membership card ready to show upon request. **Failure to show your digital membership card and valid Government-issued photo ID can result in automatic disqualification and forfeiture of entry fees and prize money.**

### Hotel Discount - Rio All-Suite Hotel & Casino

Please refer to the Event Webpage for all hotel related information and deadlines:

- <https://www.playcspool.com/2024-usapl-national-championships.html>

## Dress Code

All events will follow Dress Code A unless otherwise specified.

## Fargo Ratings

FargoRate has replaced the outdated systems of subjectively classifying players as Open-Advanced-Master, A-B-C, 3-4-5, etc. Players with at least 200 games of data in the FargoRate system have an established rating. Those with fewer than 200 games have a preliminary rating based on any data in the FargoRate system and a starter rating assigned by the USA Pool League.

**Example:** John has a Fargo Rating of 593 based on just 50 games. He was assigned a starter rating of 560 by the USA Pool League. John's preliminary rating would be calculated by a proportional combination of the two numbers  $(593 \times 25\%) + (560 \times 75\%)$ . Therefore, John's preliminary rating would be 568. Starter ratings may be adjusted by the USA Pool League at any time.

## Rating Reviews

We carefully review the ratings of all players who register. This process takes time and **we reserve the right to adjust starter ratings and correct errors at any time.** To avoid late rating issues, we encourage you to register early and make sure your rating and your teammate's ratings reflect actual skill level. **Any type of rating correction is not grounds for a refund.**

**Please Note:** You may register anytime. There is no need to wait until you actually reach the minimum matches requirement to register. So please, **REGISTER EARLY.**

## Rating Penalties

If any adjustments to starter ratings push a team over the maximum rating limit, the team will be assessed one penalty point for each point over the limit.

## Don't Get Disqualified

We take player ratings very seriously. A player who intentionally, at the sole judgment of the USA Pool League, enters an event with a rating that is too low for his or her ability, is cheating. Be aware that we have tools in place to monitor players who are consistently and significantly performing above their rating during the event. We reserve the right to disqualify any player without refund. **Don't get disqualified. If you believe you are underrated, contact the USA Pool League prior to the registration deadline.**

## Ladies Events

While a Ladies Team division is offered, FargoRate and the USA Pool League Handicap System provides the opportunity for ladies to compete on a level playing field against men. A lady rated 450 plays at the same level as a man rated 450. Therefore, ladies are welcomed and encouraged to participate in the other divisions.

## Verify Your Registration

You have the responsibility of verifying your registration. The complete list of players can be found near the bottom of the official event webpage. All upcoming events can be found at [www.playcspool.com/events](http://www.playcspool.com/events).

If you have already registered for the event, please verify that your name appears in the "Awesome Participants" list in every division for which you registered. Technical glitches can happen and **it's your responsibility to confirm your registration(s)** at least three weeks prior to the event. If you are not on the participant list and you fail to notify us at least three weeks prior to the event, we may not be able to accommodate you. If your name does appear on the list, it's a good idea to take a screenshot and keep it with you as back-up if needed. It is not helpful to show up at the Tournament Desk and simply say that your name was previously on the list.

## Start Times & Format

Divisions may begin as early as 9am on the dates listed. However, various factors could delay start times and a delayed start is not grounds for a refund. Always check the tournament brackets at [www.ctsondemand.com](http://www.ctsondemand.com) for the exact start time of your match or ask the Tournament Director. All divisions are shorter races and true double elimination format unless otherwise noted.

## Plan Your Travel Carefully

We encourage you to allow plenty of time before and after the event for travel. The USA Pool League is not responsible for airline delays, lost luggage, traffic jams or any other travel-related issue that could cause you to miss your match and be forfeited. Matches are not delayed or accelerated to accommodate travel issues. Therefore, you are advised to arrive no later than the day before your division(s) begin and leave no sooner than the day after the event ends.

## How to Avoid Forfeits

Each year, people forfeit matches because they do not follow the correct procedures. Matches are not announced at the event and there may be occasions when your table is not available at the scheduled time because earlier matches are running late. You are

responsible to be at your assigned table when it becomes available. Please review Appendix A – Using CTS (CueSports Tournament System) and the Tournament Regulations. These documents detail the process of avoiding forfeits. If you still need help, please ask the Tournament Director. Being forfeited as a result of not following the correct procedures (see the Golden Rule below) is not grounds for a refund or a credit.

**Golden Rule:** If you are at your assigned table at the scheduled match time and do not leave, you cannot be forfeited.

### Match Conflicts

You may want to play in as many divisions as possible to get the most out of your experience. Therefore, you are free to register for divisions that overlap. However, we are only able to schedule around specific overlapping divisions as noted below. If match conflicts occur that are not specified in the second column below, the player or team must forfeit one of the conflicting matches without refund.

You understand that your participation in this event is completely voluntary. CSI and all representatives, agents, sponsors and affiliates are released and to be held harmless of and from any injury, illness, losses, damages, liability or expenses of any kind incurred by me, my heirs or personal representatives either caused or alleged to be caused during or surrounding this event. Maximum liability to CSI, if any, shall be limited to reimbursement of the entry fee paid. Disqualification from any CSI event, for any reason, shall result in forfeiture of any prize money won by that player or team, and possible suspension from future CSI produced events.

CSI may also use your photograph, image, likeness or name for information, reporting or promotional purposes via print, video and other media without limitation or compensation of any kind. By participating, you further release all media and appearance rights to CSI for the production of televised matches, recorded or broadcast at the event and for all photographic images taken at the event. By registering, you agree that CSI may also add your email address to its email list and send you periodic emails at its sole discretion.

## TEAMS (CSI Group Play Format)

### Team Check-In & Rosters

**Team check-in is required.** The Team Captain or League Manager is responsible to check-in teams at the USA Pool League Registration Desk and obtain an official team roster. Teams must present their official team roster and Government-issued photo IDs to all opponents to confirm ratings and identify which players are original players. Team Captains are responsible for team rosters and there is a \$10 charge for reprinting them.

### Team Shirts

Team shirts are required during team competition. Each member must have his or her own team shirt. Borrowing the shirt of a teammate is not permitted. Please reference Dress Code A for more information.

### General Player Eligibility

All players must meet both criteria below:

- Play at least **eight (8) matches** in a single division session **between Jan 1 and Dec 31, 2023**
- Remain active in the USA Pool League in 2024 (play at least two matches between Jan 1 and Feb 21, 2024)

### Original Player Requirement

This does not apply to Ladies Teams. At least two (2) original players must play each match. An **“original player” is defined as someone who has played at least eight (8) matches with the team in the final session prior to the end of 2023** (Dec 31, 2023). Teams may have more than two (2) original players and the status of being an original player will be confirmed by the USA Pool League. It is the Team Captain’s responsibility to confirm the status of their players upon registration.

### Specific Team Eligibility

- Players and teams are only eligible to participate in team events in the game in which they became eligible.
- All Teams (men & ladies)
  - o Must have at least five (5) USA Pool League qualified players with a maximum roster size of eight (8) players.
  - o Must consist of at least two (2) original players. Two (2) sets of each match must be played by original players. An “original player” is defined as someone who has played at least **eight (8) matches** with the team in the **final session prior to the end of 2023** (Dec 31, 2023).
  - o Non-original players must have played eight (8) matches with the **same exact team** entered in the tournament during a single division session during 2023.
  - o No player may be rated higher than 720. If a player is rated 720 or below at the time of registration and his or her rating moves above 720 before the event, the entry fee will be refunded.
- Ladies Teams (women only)
  - o Must have at least three (3) USA Pool League qualified players with a maximum roster size of five (5) players.
  - o There is no original player requirement.
  - o No lady may be rated higher than 660. If a player is rated 660 or below at the time of registration and her rating moves above 660 before the event, she will have her entry fee refunded.

## Team Rating Limits

The team rating limit for all 5-player team divisions is 2,375 for the five (5) players who compete in the match. The team rating limit for all 3-player team divisions is 1,275 for the three (3) players who compete in the match. If a team surpasses the limit, it will be assessed one (1) penalty point for each point over.

## Announcing Players & Pace of Play

All matches will be played on the number of tables assigned by the Tournament Director. Once a table is available, the team putting up the first player must name that player within two (2) minutes of the previous set's conclusion. Once that player has been named, the opponent must name their player within two (2) minutes. Both players have five (5) minutes to report to the table after being named. If teams do not name players in a timely manner, they run the risk of forfeiting that set.

## Format - CSI Group Play... All teams guaranteed at least 5 matches\*

The team divisions use the CSI Group Play format consisting of a **Stage 1 - Group Stage** and a **Stage 2 - Single Elimination Final Bracket**. See below for the specific details of each stage. Find sample score sheets on event webpage.

Stage 1 – Group Stage	Stage 2 – Single Elimination Final Bracket

1. Excluding factors beyond the control of the USA Pool League such as forfeits, drop-out teams, no-shows, byes, etc.

2. Every team has a chance of advancing until the very end of Stage 1.

3. The number of matches won divided by the number of matches played.

4. The total number of points scored, including handicap points, in all matches divided by the number of matches played. This will also be used to rank teams with the same match win %. For example, if two teams have a 60% match win %, the team with the higher points per match average will be ranked higher.

5. This is the average Fargo rating of the opposing teams' entire roster. For example, if two teams have the same match win % and the same points per match average, the team that played stronger teams, on average, will be ranked higher.

6. Cue ball is placed behind the head string and each core player (or subs for core players) for each team shoots alternating spot shots. The team with the most shots legally pocketed after all players have taken a shot, wins the shootout. If tied after all core players have taken one shot, it is sudden death.

## MINI-TOURNAMENTS

We anticipate approximately 1,000 mini-tournaments to be held during the USA Pool League National Championships. Many different formats may be offered such as handicapped, non-handicapped, 8-ball, 9-ball, 10-ball, etc. Those wishing to participate should visit the Mini-Tournament desk in the Brasilia Ballroom (just across the hallway from the Pavilion Ballroom).

### Eligibility

Must meet at least one of the following eligibility criteria:

- Played at least **eight (8) matches** in a single division session **between Jan 1 and Dec 31, 2023** **and** remain active in the USA Pool League in 2024 (play at least two matches between Jan 1 and Feb 21, 2024) **or...**
- Have a current CSI Membership (\$40/year) and pay a \$25 admin fee & \$25 green fee (if not registered in any other events).

NOTE: Some mini tournaments have specific rating, gender, league, and misc. requirements.

## CUESPORTS INTERNATIONAL (CSI) DIVISIONS

Check-in for singles divisions is not required. However, it is your responsibility to know when and where you play.

### Eligibility

- CSI divisions are open to male and female players rated 720 or lower at the time of registration.
- Junior Singles divisions do not require any type of membership or league play requirements.
- All other players must be either league-qualified or a CSI member.
  - League-Qualified: must have played at least **eight (8) matches** in a single division session **between Jan 1 and Dec 31, 2023 and** remain active in the USA Pool League in 2024 (play at least two matches between Jan 1 and Feb 21, 2024).
  - CSI Member: a person who is not league-qualified but has a current CSI membership (\$40/year).

### Individual Rating Increases

There is a 10-point individual rating cushion. If a person is rated 720 or lower at the time of registration but his or her rating naturally increases above 730, he or she will have the following options:

Option 1: Drop out of the division and receive a refund (minus admin & processing fees)

Option 2: Play and accept a one-game penalty in each match for every 25 points over 730

**Example:** A player had a rating of 717 at the time of registration but it naturally increases to 735 (5 pts. over the cushion), he will incur a one-game penalty in each match. If his rating naturally increases to 758 (28 pts. over the cushion), he will incur a two-game penalty in each match.
